Dear United States District Court Eastern District Of New York,

I am writing this letter out of abundance of caution. I am attempting to work directly with the plaintiffs attorney to see if we can work together without the need of an attorney.

Our business was never served however I am working with the plaintiffs attorney directly.

The plaintiffs attorney Rami Salim agreed to file an extension till June 8th while we work on the case together. He wrote by email twice that he would file the extension . Please see attached screen shots of the email correspondences stating such.

I am sure he will file today, he has been cordial to me, but I do not see that the extension was filed on the Pacemonitor website. And just in case there was some kind of mistake I wanted the court to hear that I have contacted the plaintiffs attorney and am making every effort to work with the Plaintiff directly.

Please see attached screen shots with time stamps of the email correspondences.

Best Regards,

Craig Fruchtman

I got your messages. No worries, these emails are confirmation if anything goes wrong, I will file the extension today so you won't be in default tomorrow.

Hi Rami,

I am just following up. I only have access to what I see on Pacemonitor which shows I have to answer by May 9th, it doesn't show June 8th. I assume that site is not updated regularly.

Will I hear back from you today or tomorrow?

Thanks,

Craig
